Distribution of Fee Refund cheques to Kayakalp Toppers –August 5, 2020

A fee refund scheme for very bright students at Kayakalp was introduced to motivate them for better performance. The scheme is reproduced below for ready re-collection

“Based on the performance in the final exams at BHSD, following fee refunds (out of the annual fee of Rs 12,000) are planned:

- **50% refund (Rs 6,000) for those scoring 80% or more**
- **80% refund (Rs 9,600) for those scoring 85% or more**
- **100% for the top three students in each class (minimum cut-off at 85%)”**

A simple function was organised at Ankur office and cheques and certificates were handed over to all six students (who qualified) by Shri Sanjay Kothari in the presence of their parents, Dr Sir, Bela M'am, Arun Sir as well as Ronak and Niketa. All students and parents were highly appreciative of the Kayakalp initiative. Sanjay Sir specifically appreciated the ability of all students to freely express themselves. The students and parents were asked to convey the message to all other current and potential students and ensure that many more students qualify for fee refund next year.

A few photos are included here.

Smart Mobile Initiative

Lockdown has totally changed the educational landscape for every student. Many of our beneficiary students were struggling with online education with severe constraints. These constraints included very small one-room houses, large families and particularly lack of smart mobiles or laptops etc. to be able to attend online classes.

We had requested our members and associates to see if they had any smartphones to spare. We also encouraged them to spread the word on their social media groups. The response was very satisfying and we not only received used and spare smart mobiles, but also we received financial contributions to enable us to buy smart mobiles. We also received a tablet and a laptop.

We gave Laptop, Tablet, and more than 50 Smartphones

All our beneficiary students are from poor and needy families. Their income is less than 2 lakhs. Many students are having single parents or / physically handicapped parents. The selection of beneficiaries is after proper due diligence, including house visits where relevant.

Smart Mobile Initiative continues to make good strides, thanks to generous contributions by esteemed members, associates, and well-wishers!!!
Sincere gratitude to each one of them.
